Timed Online Auction

Garage Equipment, Tools & Stock of an Automotive Development Engineer

Under Instructions from Ralph Hosier Engineering Ltd and ZEEbus Ltd following reorganisation of the two businesses.

Garage & Workshop Equipment

Twin Busch 4 post vehicle lift, 4200kg capacity with 2500kg jacking beam; 2 x Twin Busch 2 post vehicle lifts, 4200kg capacity; Draper 300kg engine gear box support; Set of Motamec wheel alignment gauges; Engine support beam; 5600kg heavy duty engine stand; Twin Busch 2 tonne folding garage floor crane; ½ tonne hydraulic transmission lifter; 2 tonne trolley jack; Tengtools garage creepers; Tengtools workshop trolleys; Katsu 165145 rotary swaging ginny; Specialist wheel arch flaring tool; Paint spray stands; Air sump drainer; Ring Power battery charger starter; Sun diagnostic emissions tester; Bearing press with Neilsen hydraulic bottle jack; Range of Premier and other axle stands; Scissor and bottle jacks; Specialist fabricated vehicle assembly jig;

FIAC Workhorse single phase receiver mounted air compressor; ESAB Handy Plasma 45i plasma cutter; 2 x Lincoln Bester 190C multi MIG welders on trolleys; SIP P178 Weldmate TIG welder; Sealey Super MIG 180 MIG welder; Dirty Pro Tools A872 metal cut off bandsaw; Hydraulic toe jacks; Viceroy 24" x 6" engineers centre lathe; Titan 700W & Wickes bench drill presses; Machine vices; Scheppach bench top band saw; Hilka 6" double ended grinder/polisher & MacAllister double ended bench grinder; Bench mounted metal shear; Katsu 12T hydraulic pipe bender; Titan 2000W metal cut off saw;

Clima aluminium scaffold tower; Youngman electricians step ladder; Blue and orange medium duty boltless racking with chipboard shelving; Aluminium extending ladders; Pramac hydraulic pallet truck; Platform trolleys and sack barrows; Galvanised fume extraction ducting; Record 6" engineers bench vices; 1m hand operated sheet metal folder; Workbenches; Parts cleaning bath;

Specialist Hand Tools, Cabinets, IT & Audio Visual

An excellent range of motor engineers tools including spanners, sockets, pliers, crimpers, etc;

2 x Tengtools 1.5m mobile engineers tool cabinets each with 9 drawers; Tengtools multi drawer tool cabinet with a range of engineers tools; 3 x red multi drawer tool cabinets with a range of engineers tools; 2 x double door tool cabinets; 2 x Tengtools 2m engineers workbenches; Tengtools engineers stools; Hydraulic body frame repair kit; Tengtools ¾" drive torque wrench; Range of specialist engineering tools including compression kits, hose test kits, vacuum pumps, leak rate indicator, etc; Wide range of specialist motor engineer development tools including diagnostic equipment specialist crimpers and many other items; CP half inch drive air wrench; Range of other air tools; Scheppach air chisel; Cordless and corded tools by Makita and others;

A range of desktop computers and peripherals; Anycubic 3D printer; Atomshac bench top laser etcher; Multicomp MP720114 Ultra Phosphor oscilloscope; Specialist audio visual equipment including radio microphones, APS's, Nikon SLR camera, tripods, broadcast equipment, gimbal, etc

Kempower T SeriesT800 mobile DC charger

Specialist diagnostic equipment for developing electric vehicles, Easy composite curing oven, Wingfield CNC router bench, Pro Form scales and many other items

Stock & Parts

A range of specialist automotive parts and accessories; Range of imperial and metric nuts, bolts and other fixings; Multi drawer cabinets containing a wide range of misc. tools and fittings; Artec and other auto darkening welding helmets; Commercial vehicle wheels and tyres

A range of specialist electric vehicle development stock including battery packs, contactors, pre charge resistors, sensors, fuses, interface units, Vector charge controllers, and many other items

Development & Other Vehicles

Experimental Land Rover based vehicle, Volvo B5LH double decker bus with prototype Voith VEDS drive system, Jaguar Sovereign XJ40 project, Prototype hybrid van rolling chassis, 2012 Nissan Leaf electric hatchback, Volvo 850 estate.

Auction Ending: Tuesday 16th September 2025

Bids Closing 11.00am (subject to staggered timing and the ten minute rule)

Viewing: Monday 15th September 2025 9am – 4pm

At the company's premises, Priory Farm, Colmworth Road,
Little Staughton, Bedfordshire, MK44 2BZ

Collection Strictly: Wednesday 17th - Saturday 20th September 9am - 5pm.

Garage & Workshop Equipment

Under Instructions from Ralph Hosier Engineering Ltd

The company has de-registered for VAT so these lots will not attract VAT

Lot 1

Twin Busch 4 post vehicle lift, 4200kg capacity with 2500kg jacking beam

Lot 2

Twin Busch 2 post vehicle lift, 4200kg capacity with additional stabilising plates

Lot 3

Twin Busch 2 post vehicle lift, 4200kg capacity with additional stabilising plates

Lot 4

Sun DGA2500 emissions tester diagnostic platform

Lot 5

Yellow heavy steel fabricated platform jig on castors for vehicle development together with 2 welded steel mobile beams

Lot 6

CG Auto's mini tilting vehicle lift, max capacity 1500kg

Lot 7

FIAC Workhorse single phase receiver mounted air compressor on welded platform together with airline suzie

Lot 8

15 tonne garage bearing press with Neilsen hydraulic bottle jack

Lot 9

Clarke air operated shot blast cabinet

Lot 10

Lincoln Bester190C multi MIG welder on trolley

Lot 11

Lincoln Bester190C multi MIG welder on trolley

Lot 12

SIP P178 Weldmate TIG welder on trolley

Lot 13

Sealey SuperMIG 180 MIG welder

Lot 14

ESAB Handy Plasma 45i plasma cutter

Lot 15

0.5t hydraulic transmission lift on castors

Lot 16

Hydraulic vehicle body repair kit in case (10 tonne capacity)

Lot 17

Heavy duty 560kg engine stand on castors

Lot 18

Twin Busch folding garage floor crane (2 tonne capacity)

Lot 19

Katsu model 165145 rotary swaging ginny/roll former

Lot 20

Dirty Pro Tools A872 single phase electric metalworking bandsaw

Lot 21

Draper model ES300 engine gear box support, 300kg capacity

Lot 22

Blue engine support beam

Lot 23

Air operated oil sump drainer on castors

Lot 24

Single phase electric parts washdown tank

Lot 25

Specialist wheel stud mountable wheel arch flaring tool

Lot 26

Sealey brake pipe flaring kit together with bleeding system canister and Kamasa flare tool kit

Lot 27

Tray of miscellaneous chain and couplings

Lot 28

Selection of clamps, squares, measuring rules, tapes etc

Lot 29

Miscellaneous tools including bolsters, hacksaws, spanner, pliers etc

Lot 30

Wide range of various mole grips and other grips

Lot 31

Miscellaneous air tools and air line

Lot 32

Scheppach air operated chisel in case

Lot 33

CP model 7748 half inch drive air operated wrench

Lot 34

Case of Satra brake caliper wind back tool with plates for various calipers plus exhaust pipe expander tools

Lot 35

8 R-Tech welders masks

Lot 36

Miscellaneous welding gages, guns and accessories

Lot 37

Boxed of Bionic Honeywell Acet face visors

Lot 38

4 various face visors and qty of ear defenders

Lot 39

Box of specialist vehicle LED lights

Lot 40

2 boxes of castors and high voltage leads

Lot 41

Katsu hydraulic pump with metal punching gear

Lot 42

6 various vehicles batteries

Lot 43

Miscellaneous extension leads, electric fans and cleaning equipment

Lot 44

Grey steel double door cupboard containing a range of welding wire and rods, oil cans, cutting discs, etc

Lot 45

Katsu model 12t hydraulic pipe bending unit with formers, serial 18062800

Lot 46

Bench mounted metal shear

Lot 47

McAllister double ended grinder

Lot 48

Titan 2000w metal cut off saw together with an Evolution compound mitre saw

Lot 49

Hilka 6inch double ended wire brush and polisher

Lot 50

Wickes bench mounted single phase electric pillar drill

Lot 51

Scheppach HBS200 bench mounted band saw

Lot 52

Titan 700w 16 speed bench drill

Lot 53

3 machine vices

Lot 54

Viceroy 24" x 6" engineers centre lathe

Lot 55

Tray of drill bits

Lot 56

Clarke air single phase electric fan together with sundry metal cutoffs

Lot 57

Yellow hydraulic trolley jack

Lot 58

Silver hydraulic trolley jack

Lot 59

5 various axle stands together with a range of car jacks

Lot 60

Clarke Strong Arm 48" farm jack, 2000kg capacity

Lot 61

Hi-Lift Extreme XT485 high lift farm jack

Lot 62

Pair of Sealey Premier black and green axle stands

Lot 63

8 various bottle jacks

Lot 64

Fence tightener, miscellaneous jump leads and sundries

Lot 65

4 Tengtools engineers high stools together with 1 similar low stool

Lot 66

Pair of aluminium disability ramps

Lot 67

Pair of Tengtools garage creepers

Lot 68

Various magnetic nut & bolt trays together with miscellaneous plastic parts trays

Lot 69

8 various magnetic welding clamps together with other welding sundries

Lot 70

Pair of Draper bolt croppers together with 5 crow bars

Lot 71

Arduino and Raspberry Pi electronic control computers and extensive range of accessories plus electronics components

Lot 72

Set of Gunson wheel alignment equipment

Lot 73

5 various containers of electrical connectors and a crimping kit

Lot 74

3 containers of auto electrical parts, relay bases, switches, e-stop etc.

Lot 75

Various containers of automotive fuses, relays, relay bases, fuse boxes. Covers classic and modern cars

Lot 76

Various heat shrink tubing for electrical connectors, some with resin lining, plus convolute flexible conduit

Lot 77

Automotive electrical cable reels and an enclosure box

Lot 78

Specialist clamp for drilling tube

Lot 79

2 Tengtools red steel engineers workshop trolleys together with similar black plastic trolley

Lot 80

Pair of Draper 6 drawer metal tool chests

Lot 81

Pair of Draper 6 drawer metal tool chests

Lot 82

5 grey steel 3 drawer pedestals

Lot 83

3 light duty grey storage racks and similar metal rack together with large welded steel trolley

Lot 84

Single phase electric flood lamp on tripod

Lot 85

1.5m fabricated steel welders bench with 4" engineers vice and welding screens

Lot 86

1.5m fabricated steel welders bench with 4" engineers vice and welding screens

Lot 87

1.5m fabricated steel welders bench with 4" engineers vice and welding screens

Lot 88

1.5m fabricated steel welders bench with 4" engineers vice and welding screens

Lot 89

Pair of 1.2m blue and orange light duty 4 shelf racks

Lot 90

Approx. 14m run of 9" galvanised extraction ducting

Lot 91

Tengtools Megamaster 1001 black 19 drawer triple section lockable mobile engineers cabinet containing a wide range of sockets, spanners, screwdrivers, torque wrench, pliers and other tools

Lot 92

Black platform lift trolley together with 2 small folding barrows

Lot 93

Pair of forklift extension forks

Lot 94 - 100

Spare Lots

Lot 101

Welded scaffold rack containing range of mild steel, aluminium and other box section tube, rod and angle, etc together with various stainless steel components

Lot 102

2 sheets of green finish metal corrugated roof sheeting

Lot 103

1m bench mountable manual sheet metal folder

Lot 104

2m metal framed wooden topped engineers bench together with 2 Clarke 6" anvil vices

Lot 105

Clima aluminium scaffold tower

Lot 106

1.22m metal engineers work bench with pinboard and single drawer

Lot 107

Wide range of specialist electric vehicle components and other automotive products, tubing etc (located on 2 bays of racking and welded rack)

Lot 108

Pair of Fox remote reservoir coil over damper / shocks

Lot 109

Tray of Land Rover Discovery Mark 1 components

Lot 110

2 trays of Jaguar central processor units and components together with 2 dashboards

Lot 111

Shelf of miscellaneous vehicle components, mirrors and sundries

Lot 112

Large commercial vehicle intercooler

Lot 113

Large catalytic convertor

Lot 114

Qty of tie down straps, rope and storage boxes on 3 shelves

Lot 115

Qty of brake bleeding tool components, grease gun etc (contents of stainless steel cabinet)

Lot 116

2m high stainless steel single door cabinet

Lot 117

A black electrical battery box.

Lot 118

Qty of Land Rover vehicle components together with range of other vehicle parts (on 6 shelves)

Lot 119

Rover V8 classic parts, cleaned cylinder heads, cast manifolds, water pump, gaskets, seals, Defenders grills, engine spares

Lot 120

Ford diesel 1.4 Tdci engine for Ford Fusion

Lot 121

Land rover LT230 transfer box, classic range rover air box and horns for carbs

Lot 122

Early Range Rover Classic gearbox and bell housing

Lot 123

600v DC air compressor for electric commercial vehicles, plus two CAN controlled cooling fans with controllers

Lot 124

Green mobile workshop trolley containing range of mild steel sheet offcuts

Lot 125

Pair of paint sprayers stands

Lot 126

4 vinyl bar stools, 2 folding stools together with range of 9 office chairs

Lot 127

3 metal framed welders screens

Lot 128

Lifter by Paramac 2200kg pump truck

Lot 129

Large qty of miscellaneous car parts to include seating, springs etc together with click together racking

Lot 130

Vehicle revolving spit together with specialist moulded body guards

Lot 131

Awesome moulded double car seat with Dymag alloy

Lot 132

3 boxed Artech Welding Equipment welding helmets

Lot 133

5 welding helmets

Lot 134

Large qty of safety gear to include welding gloves, masks etc

Lot 135

13 bays of orange and blue medium duty boltless racking with chipboard shelving, each bay approx. 1.8m long x 600mm wide x 1.8m high

Lot 136

Set of 6 large display panels of vehicles - Lotus, Volkswagen, Mini, Daimler, Rolls Royce and others

Lot 137

8 tread electricians step ladder

Lot 138

2.5m workbench with VS2 engineers vice

Lot 139

Contents of the tearoom including leather effect 2 seater sofa and 1 refrigerator

Lot 140

Large qty of various automotive fluids, aerosols etc. (top shelf)

Lot 141

Large qty of metric and imperial nuts, bolts and similar fixings in mild steel and stainless steel

Lot 142

Goodridge brake making kit, with hose end fixings and specialist flaring tool

Lot 143

3x 6 drawer steel cabinets containing a range of pop rivets, O rings, washers, brass fittings, seals, etc.

Lot 144

Brown multidrawer cabinet containing misc. spanners, pliers, and other tools

Lot 145

Barrel pump, 2 grease guns together with various fluids and sundries

Lot 146

Misc, plastic parts trays, trailer lighting board, wire rope and sundry items

Lot 147

Grey steel double door cabinet containing misc. automotive oils and other fluids

Lot 148

6 bay 4 shelf rack containing a wide range of misc. automotive parts and accessories

Lot 149

Pallet of loose automotive spares for various vehicles including exhaust pipes, wheel arches and sundries together with various fuel cans

Lot 150

3 galvanised steel 5 shelf storage trolleys together with a cage trolley

Engineers Cabinets and Tools

Lot 151

135cm Tengtools TCW809N red multi dower mobile tool cabinet with work bench top to include a single drawer of electrical cable and clips

Lot 152

135cm Tengtools TCW809N red multi dower mobile tool cabinet with work bench top to include a single drawer of soldering iron tools and consumables

Lot 153

200cm adjustable height Tengtools engineers work bench

Lot 154

200cm adjustable height Tengtools engineers work bench

Lot 155

Stack of 3 red tool chests with multi-drawer to include hole saws, nibbler, drill bits, borers, burr sets, large drills and borers, files, hacksaws, selection of G-clamps, and chisels etc.

Lot 156

4 Coffee and cream 4 drawer filing cabinets, 2 grey 4 door filing cabinets and 3 low levels pedestals

Lot 157

3 red multi drawer tool cabinets to include; hole saws, Turner Nibbler, large drill bits, rasps, reamers, g clamps etc

Lot 158

Mobile red multi-drawer tool cabinet with contents to include tape measures, padlocks, tap and die sets, borescope, saws, pry bars, chain tools etc.

Lot 159

Mobile red tool chest with multi-drawers to include 2.5" torque drives with associated sockets, files, crimps, fuel line disconnect tools, 3/8" torque wrench with associated sockets and tooling, 2 x 3/4" torque wrenches and associated sockets and tooling, pliers, circlips, screwdrivers etc.

Lot 160

2 shelves of power tools to include Black & Decker jigsaw, 2 Bosch 4.5" angle grinders, Black & Decker 4.5" angle grinder, Erbauer angle grinder, Ryobi battery multitool and 2 empty cases

Lot 161

2 shelves of power tools to include Titan SDS breaker, Mac Allister reciprocating saw, Bosch 9" angle grinder, a wall chaser, 2 Pro heat guns, Black & Decker drill plus a belt sander

Lot 162

Shelf of Makita 18V cordless tools to include impact drive, 2 drills, socket wrench, 4.5" angle grinder with 4 x 18V lithium ion batteries and 2 chargers

Lot 163

2 shelves of panel beating tools, rubber mallets, hammers and letter and number punch set

Lot 164

Shelf of power tools to include Evolution Specialist belt sander, a Evolution circular saw, cordless impact wrench, Maplin battery drill

Lot 165

Teng tools 3492AG-E2 large torque wrench with torque ranch of 140-980Nm with case plus a large unassociated flex bar

Lot 166

The GDS 510 vehicle diagnostic tool for Jaguars, approx, 1990's

Lot 167

Multicomp MP720114 oscilloscope with various probes

Lot 168

2 small benchtop lightboxes

Lot 169

Nankadf programmable DC power supply with a 2000W inverter plus 2 switching power supplies

Lot 170

Parts clamp and a parts clamp with magnifying glass plus a range of torches and 2 fire extinguishers

Lot 171

Ring automotive borescope with case

Lot 172

Gesipa Accubird battery powered riveter with battery and charger

Lot 173

Digital ultrasonic cleaner

Lot 174

Nano VNA hand held vector network analyser, small robotic vehicle, Linbin with 5 heavy duty fuses etc.

Lot 175

Atomstack A5 laser engraver with goggles, small range of tooling, power supply and manual

Lot 176

Specialist electronics crimp tool plus 6 various green Linbins of consumables

Lot 177

Anycubic 3D printer with a small selection of stock and a box containing accessories and associated tooling

Lot 178

Tray of 4 various hand operated riveters and associated tooling

Lot 179

Tengtools puller plus other similar pullers and compression set

Lot 180

Tray of Wera specialist tooling to include extendable wrench, screwdrivers, Torx sets plus a range of extractor tools by Snap On and other brands

Lot 181

Honing tool and other related items

Lot 182

Wall mount rack with Linbins containing various mostly electronic consumables to include sockets, relays, cable etc. Plus the range of similar product on the table beneath

Lot 183

2 x 140cm Rise and Fall desks

Lot 184

Tray containing a large number of various branded metric spanners, largest being 30mm down to approx. 6mm

Lot 185

Tray with large adjustable spanners ranging from 24" down, including 2 small stilsons

Lot 186

Tray of various electronic cable crimp tools

Lot 187

Tray of metric spanners mostly by Halfords Professional range but include other

Lot 188

Tray of imperial spanners ranging from 1" down

Lot 189

2 flat screen televisions, 1 Alba, 1 Toshiba

Lot 190

Tray with a CAT3 100v insulation tester, Martindale HPAT4000 Handy PAT tester, 2 RS Pro digital multimeters, Gunsons digimeter and other similar electronic testing items

Lot 191

Custom built stock stand with a range of electrical wiring

Lot 192

Tray of 6 various electrical cable crimping tools, electrical cable and connector crimping tools

Lot 193

Tesla 7/8" drive socket tool used for Tesla's

Lot 194

Vevor portable manual hydraulic pipe bress hose crimping tool with tooling plus a hydraulic hose tester kit

Lot 195

Zipper YQK-300, Katsu YQK plus 1 smaller hydraulic crimping tools with associated tooling

Lot 196

Makita specialist through drive bolt socket set

Lot 197

Internal and external pulling set

Lot 198

Neilsen tap and die set

Lot 199

Bay of assorted automotive parts mostly electronic and 2 Lucas 4CU control units and an adustable power supply

Lot 200

BRC Polar vehicle diagnostic tool with a CCY professional diagnostic interface for LPG systems

Lot 201

Panasonic FZ-G1 touchpad with VAS6154 diagnostic tool for the Volkswagen and Auto VAG com

Lot 202

Panasonic CF-D1G Toughbook with a Mongoose JLR vehicle diagnostic tool for Land Rover system diagnostic SDD machine

Lot 203

Maxy Check Autel vehicle diagnostic with manual and CD plus an Acumen data bridge

Lot 204

Tray of vehicle diagnostics to include 2 Candapter and a range of cables

Lot 205

Delphi SV10185 diagnostic with a diagnostic splitter and range of cables plus a Rover gauge

Lot 206

Toshiba laptop with Peugeot DS Spirit Citroen Actia diagnostic

Lot 207

Audi brake caliper socket set, diesel engine timing set plus AT5NB G Wagon wheel socket set

Lot 208

Draper Expert micrometer set, bore measuring tools, RS Pro repair kits and various Vernier capliers, gauges and other testing items

Lot 209

Leak down tester, compression tester, Vevor 4 gauge tester plus 2 other items

Lot 210

DHA brake bleeding vacuum pump plus a Druk hand pump

Lot 211

Bay of various empty and part filled tool cases

Lot 212

Apple iMac 24 inch Blu/10CCPU/24GB/512 - GBR

Lot 213

Dji Osmo gimbal, Sennheiser radio microphone, Nikon D200 SLR camera, Lumix DMC digital camera, Goodmans GoPro style camera, Synco transmitter and Synco receiver for radio mic, 2 camera tripods, Toshiba projector and small selection of other similar items

Lot 214

3 various APC smart UPS systems and 3 home office type printers

Lot 215

+VAT Custom built PC tower by Pixel Builds with associated monitor, keyboard and mouse, Specification - Ryzen 3600, RTX 2060, 64GB RAM, SSD & HDD,

Lot 216

6 computers each with PC tower, monitor, keyboard and mouse plus 2 additional monitors, 2 laptops and 2 boxes of IT cables, keyboards and peripherals

Lot 217

Office chairs to include blue velvet operators chair, 5 grey cloth operators chairs

Lot 218 - 220

Spare Lots

Lot 221

3 Hoosier drag racing wet tyres on steel wheels, for racing purposes only

Lot 222

Set of 4 BF Goodridge all terrain K02 265/60R18 on Land Rover Discovery II alloy wheels with a similar spare wheel and tyre

Lot 223

4 various wheels and tyres

Lot 224

Set of 4 - 255/50R20 Pirelli Scorpion Zero tyres and 1 other

Lot 225

4 (2+2) aluminium Land Rover/ Range Rover Mark II alloy wheels together with a similar wheel with Pirelli tyre

Lot 226

Set of 4 Toyo open country 255/65R16 tyres

Lot 227

Set of 4 Landairita 31X10.50R15 tyres on steel rims

Lot 228

3 Land Rover Defender or Classic Range Rover alloy wheels with Toyo 275/70R16 tyres together with 1 similar wheel and tyre

Lot 229

Set of 4 alloy wheels and tyres 215/55R17

Lot 230

2 Jaguar alloy wheels and tyres

Lot 231

Set of 4 steel wheels and tyres to fit Volvo 195/60R15

Lot 232 - 247

Spare Lots

Lot 248

Mezzanine floor measuring approx. 13m x 6m x 3m high, fully bolted with no welds, does not include stairs or safety handrails (buyer to dismantle by appointment on or after the final day of clearance)

Lot 249

Metal framed and teak plan chest

Electric Vehicle Development Special Tools, Equipment & Stock

Under Instructions from ZEEbus Ltd Where marked +VAT these lots will attract VAT

Lot 250

+VAT Kempower T series T800 40kW mobile DC charger for CCS2 connectors, K0022227 year:2022

Lot 251

+VAT High voltage vehicle wiring with cables ranging from 6sq. mm - 70sq.mm, some stock on cables reels/some stock used

Lot 252

+VAT 2 work benches plus medium duty shelf comprising of wide range of electrical vehicle paraphernalia, crimp connectors, eyelets, high power resistor plus 700 capacitor, hose and pipeline for high pressure purposes, various vehicle connector pins and housings, mains electrical outlet, rolls of large gauge heat shrink, commercial vehicle 24v hook-up cable for charging by PSB Transport systems, 3 EDU Volvo battery parts, 2 thermoscan ETAS thermo couple interface units with thermo couples plus small anvil engineers bench vice

Lot 253

+VAT Experimental battery packs for prototype Volvo bus to include associated cabling and manual shut-off devices

Lot 254

+VAT Range of Voith products to include motor ECU, Vector charge controller, Veds CEI central electric interface, high voltage junction box, smartcase interface unit, bundle of associated cabling and CCS2 charge ports

Lot 255

+VAT Asus Vivobook laptop with vector UN164A interface, with bag and power supply

Lot 256

+VAT Asus Chromebook laptop with case and power supply

Lot 257

+VAT Dell Precision 3580 laptop with case and power supply plus Kvaser Leaf light V2 can interface and Ixxat USB 2 Can V2 compact interface

Lot 258

+VAT Panasonic CF-D1 Tofbook control with Vocom V88890300 Volvo commercial vehicle diagnostic

Lot 259

+VAT Shining 3D Einstar 3D scanner device with case

Lot 260

+VAT EA Power supply EAPS and RS Pro RN-804 DC milliohm meter

Lot 261

+VAT Bay of high voltage electrical vehicle components to include contactors, pre-charge resistors, selection of HRC fuses, current sensors by LEM and various other

Lot 262

+VAT Parker Hannifin-MD4 control system with screen, plus iQan MC4 control system with wiring with Parker telemetry system and interface cable

Lot 263

+VAT Small blue Draper multi-drawer tool chest with a RS Pro ICA31 volt meter current clamp, uni-T UT204A current clamp and 2 specialist crimping tools

Lot 264

+VAT 1 unused and 2 used bus driver gear selector controls

Lot 265

+VAT 5 Vector VC-EVCC series charge controllers

Lot 266

+VAT 4 Vector VC-EVCC series charge controllers

Lot 267

+VAT Shelf of electrical wiring mostly .35mm

Lot 268

+VAT Incomplete box of LG energy solutions lithium ion battery cells

Lot 269

+VAT 1 unused and 2 used Smart Flow EMP WP29E 24v pumps with controls

Lot 270

+VAT A pallet of Potenza battery management system parts

Lot 271

+VAT Range of lin bins to include selection of consumables used in making and bespoke fuse board with various other relays and components

Lot 272

+VAT One lin bin with anti-vibration mounting plates and lin bin with 6 Rheinmetall 7.02256.41.0 flow control valves

Lot 273

+VAT 6 VDA 355 battery modules (4 unused/2used)

Lot 274

+VAT 2 Bucher mobile PSU 5.6 DC/DC converters

Lot 275

+VAT Lin bin of Metis Cellguard gas detectors for battery packs with development system

Lot 276

+VAT 9 Sendyne SIM100 isolation sensors for high voltage battery packs

Lot 277

+VAT Flir thermal imaging system for use with smart phone plus 4 Ixxats Qan termination resistors and CSS Electronics CLX000 data logger plus 2 d-sub splitters

Lot 278

+VAT Pico Data Technologies data logger and Thermo Couple data logger

Lot 279

+VAT TE Connectivity manual maintenance crimp tool for Deutsch products with 4 extractor tools

Lot 280

+VAT 2 Molex and 1 TE specialist crimp tools

Lot 281

+VAT RS Pro Ilon-508A Milliohm meter with case

Lot 282

+VAT Autel Maxi Link professional scan tool with commercial vehicles with connectors and case

Lot 283

+VAT ITL 1/4" torque wrench insulated to 1000v plus ITL 1/4" metric socket bit set to 1000v

Lot 284

+VAT Easy Composites OV301 composite curing oven

Lot 285

+VAT Axminster Craft AC82E mobile dust extractor unit

Lot 286

+VAT TCS Systems electronic scale set, 300kg capacity

Lot 287

+VAT Pro Form 5000lbs vehicle scale system 67650 (corner weight scales) inc. case and cables

Lot 288

+VAT 2 lightweight benches and open shelf rack plus black metal lightweight workbench with shelf over

Lot 289

+VAT Wingfield Brothers custom built CNC controlled router bench with 138cm x 134cm maximum bed with PC control unit and range of router bit tooling, auto collets, router bits etc

Lot 290

+VAT Experimental battery pack 650v with Potenza battery management system inc. 28 VDA 355 modules

Lot 291

+VAT Catl 16 Velio 355 battery modules from MG electric vehicle
