 - b) The auctioneer shall determine the dispute and his decision shall be final and binding on all parties
9. a) At the fall of the hammer the purchaser is required to give their Client Registration Number. If they have bid on behalf of another person or company they should make this clear to the auctioneer at the time. If they fail to do so then they will be held personally liable for the purchase under the terms of these conditions.
 - b) If, and as required by the auctioneer at the fall of the hammer, the purchaser shall pay to the auctioneer all or part of the purchase price plus VAT and buyers' premium.
 - c) Any such payment made at the fall of the hammer may be treated, at the auctioneers' discretion, as a general deposit against all purchases, made by that purchaser on the day.
 - d) All lots must be paid for in cash, or in other manner acceptable to the auctioneers, on the day of sale and before delivery is given.
 - e) Failure by the purchaser to comply with sub clause a) and b) shall entitle the auctioneer to cancel the sale and, at his discretion, to immediately re-offer the lot in question for sale by auction.
 10. No transfer of lots or sub-sale by any purchaser is recognised by the auctioneers. Purchasers shall remain liable under these conditions in respect of their own purchase under the hammer.
 11. Private treaty sales shall be subject to these conditions of sale where applicable.
 12. All lots will be at the purchaser's risk from the fall of the hammer. Purchasers are therefore advised to check that they have adequate insurance cover.
 13. Purchasers will not normally be permitted to remove goods until their payment has cleared through the bank. Whether removal is permitted or not, ownership of goods will not be deemed to pass to the purchaser until their payment has cleared.
 14. All lots must be cleared from the sale premises at the purchaser's expense by the time stipulated or agreed by the auctioneers.
 15. a) If a purchaser fails to comply with any of the preceding conditions the auctioneers may cause the lot in respect of which the failure is made to be resold by public or private sale without warranty or reserve and without notice to the purchaser.
 - b) If upon resale a lower price is obtained for any lot than was obtained on the first sale, the difference in price together with all costs and charges attending the resale shall be a debt due from the purchaser in default at the first sale.
 - c) Alternatively the auctioneers may, at their discretion, store the lot and recover reasonable charges for so doing from the purchaser.
 16. All Sales shall be deemed to have been made in England and the Parties to the Sale hereby submit to the jurisdiction of the English Courts. English Law shall be the proper law of the Contract of Sale.
