Conditions & Charges

Seller's Commission 15%

Of the gross proceeds of sale, plus 1% insurance, subject to the following minimum charges per lot for each sale in which the lot is entered (irrespective of whether the lot is sold).

Antique & Specialist sales £6

All other lots £2

All charges will attract VAT

Electrical Testing
All portable electrical appliances are tested for safety and a £3 charge is made per test (pass or fail). Items which fail will be disposed of by the auctioneers unless collected by the vendor within seven days.

Reserves
Reserves may be accepted at the Auctioneer's discretion. Items which fail to reach reserve in one sale, will automatically be sold in the next appropriate sale without reserve unless collected.

Please Note:
That any estimate is not a reserve price.

Labelling of Entries
Please ensure that all lots are clearly labelled with your client number and that this form is completed. The porter has absolute discretion to refuse items considered unsuitable for the sale. Any lots which fail to attract a bid will be disposed of the following week unless collected immediately after the sale. The auctioneers may offer unsold lots by private sale at their discretion.

Right of Title
The Seller warrants to Locke & England and to the Buyer that they have and will be able to transfer, good and marketable title to lots entered free from all third party rights or claims on the fall of the hammer.

Data
It is the responsibility of the seller to ensure any personal information is removed from devices prior to entering for sale.

Payment
Vendor settlement of the net proceeds of sale after deduction of charges is made by Bank Transfer approximately 21 days after the sale.

The Auctioneers will withhold payment on any lot until the purchaser of that lot has settled their account. It is agreed that the Auctioneers take their charges on completion of the sale and may earn interest on credit balances.
